## Inside the Iolian

Hey wonderful I-I Key Clubbers. I hope all that went to ICON really enjoyed themselves. Whether you were out bustin' some moves on the dance floor or owning at chicken fights in the pool I hope everyone also took something out of it. As for me I'm looking to change the Iolian look to match that of Key Club International standards. However I want your opinions as well. If you haven't seen my last issue please take a look at it on the district website [ikeyclub.org](http://ikeyclub.org). The new Iolian will follow this newsletter's format with the Key Club look and backgrounds if you choose. Please look over this newsletter and the Iolian and text me which one you feel looks better for the I-I District. My number is 815-751-1324. I'd really appreciate any feedback and this is a great chance to make the Iolian the I-I's personal newsletter.

## The Fun Part

Alright Key Clubbers we're at that time of year again. RTCs (Regional Training Conferences) are just around the corner and I can't wait to visit all the hosting schools. At the bottom I put a list of all the schools and the dates where each region is hosting the RTC. If your club is unsure of which RTC you should go to have your president or an officer contact your LTG (Lt. Governors) for more information. RTCs are a great way to meet kids just like you who love to serve and love making a difference. It's also a great way to learn more about Key Club. And on a side note, if anyone is interested I'll be running a Public Relations co-workshop with Michael Hsu who's our Technology chair. I should be at all the RTCs which are all going to be great this year. So please try your best to make it out. We work really hard to make these fun and informational which can be hard to do. And you usually get candy:)

Thanks,  
DJ Yunek
