Hello everyone! Fresh off of the June Board meeting, I would like to review a few important decisions that were made and some notes:

- Our budget got approved! With the Dues increase approved at District Convention, your money will be put to good use!

- More clubs have paid! Check out page two to get the full list of clubs that have not paid for the 2009-2010 Key Club year. Remember, this is for last year and those Dues need to get in ASAP or else suspension is risked.

- Although there are still unpaid dues we are down to just five clubs. Get them in!

Summer is in full swing so make sure to stay in contact with your members and

possibly hold a few fundraising events! A few ideas:

- Work with the community pool or other facility to hold an event or carnival for kids
- Meet up with other clubs in your division to hold an Interclub. This is a great way to get to know other Key Clubs around you and meet new friends!

That's all for now! If you have any questions about the budget or ideas that you would like to get to me feel free to contact me with the information provided on the next page. Have a safe and wonderful summer
