Let's update that report form!

Our new District Tech chair, Michael Hsu, and I have been working very hard to update the report form...and we finally have an updated form! Here are some of the changes and explanations on what to expect!

CLUB OFFICER STANDINGS!

This is the new section of the report form! In this section, club officers must report for the Secretary or Statistical Secretary to let them know about their month, and then you may give them a rating, poor, fair, or great, along with comments and concerns. Be honest, because this is vital to your Lieutenant Governor helping out **your** club!

LIEUTENANT GOVERNOR CONTACT

This section is all about **your Lieutenant Governor contacting and working with YOU!** This section has been updated with sections asking for your opinion on how successful your Lieutenant Governor has completed his/her job! This is a section designed specifically with you in mind...helping your Lieutenant Governor be the best possible for **YOU!**

With these sections coming onto the website ASAP, I am sure that they will be a HUGE benefit to everyone, making us an **amazing** District!
