## Part Two: Club Service

### A. SERVICE PROJECTS - 50 Points Possible

List all service projects and activities the Key Club has completed during the administrative year. The projects should be organized by month. If more than 50 projects have been undertaken, list the 50 projects involving the greatest number of members and producing the greatest number of service hours first. Then, list the remaining projects. For a recurring project (for example, daily raising and lowering of school flags) treat the project as a single project for each month.

Use separate sheets of paper, allowing only one line for each project. Provide the month, brief project description, number of members participating, and number of service hours produced by Key Club members during the month. The list must be a) typed or b) completed as a computer printed document. An example is provided.

Total the number of projects and enter the number in the scoring box below. Attach the list to this report.
