CREATING A RECRUITMENT TABLE

FOR FRESHMAN
ORIENTATION

AN ILLINOIS-EASTERN IOWA
KEY CLUB RESOURCE

RECRUITMENT

LAPTOPS

Add some movement to your table by making eye-catching slideshows or promotional videos that will encourage people to learn more about your club. Make the video or slide show short and fun, and show what your Key Club is about!

FOOD

Everyone loves cookies and candy, and they're a great conversation starter! They get students to your table so you can tell them how great Key Club is!

FLYERS**

Hand out flyers that give the date and time of your first meeting-tell freshmen to come see what Key Club is about!

KEY CLUB SWAG

Things like stickers and lanyards (that you can get from the Key Club store) increase your club's name recognition among students.

POSTER BOARDS

Show your members having fun! Include pictures and short descriptions of your major service projects, as well as pictures from cool events like District and International Convention.

SIGN-UP SHEETS

If a student is interested in Key Club, have them write their name, email, and phone number on a sign-up sheet so you can send them information about your upcoming meetings and events.

PEOPLE

This is perhaps the most important part of your recruitment table. Members and officers from your club should sit at the table to answer questions and talk about their favorite parts of Key Club. An advisor should also attend to talk to parents.

**If you need templates for flyers, posters, or social media posts, contact your Lt. Governor!
